Coverage for: Individual, Family | Plan Type: EPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.myluminarehealth.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-833-944-1713 to request a copy.

Important Questions	Answers	Why This Matters:		
What is the overall deductible?	Tier 1 PIH Health <u>preferred provider</u> : \$0/individual or \$0/family per benefit period. Tier 2 Anthem <u>preferred provider</u> : \$1,000/individual or \$2,000/family per benefit period. Tier 3 <u>nonpreferred provider</u> : Not applicable.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .		
Are there services covered before you meet your deductible?	Yes. <u>prescription drugs</u> , and the following services by a Tier 1 PIH Health <u>preferred provider</u> and/or Tier 2 Anthem <u>preferred provider</u> : <u>Preventive care</u> , <u>emergency room care</u> , <u>urgent care</u> , <u>hospice services</u> , <u>rehabilitative services</u> , <u>habilitative services</u> , <u>specialist</u> , and <u>primary care physician</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .		
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.		
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Tier 1 PIH Health <u>preferred provider</u> : \$3,000/individual or \$6,000/family per benefit period. Tier 2 Anthem <u>preferred provider</u> : \$6,000/individual or \$12,000/family per benefit period. Tier 3 <u>nonpreferred provider</u> : Not applicable.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.		
What is not included in the out-of-pocket limit?	Penalties for failure to obtain <u>pre-certification</u> for services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .		

Important Questions	Answers	Why This Matters:	
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.anthem.com/ca or call 1-833-944-1713 for a list of preferred providers .	You pay the least if you use a Tier 1 PIH Health <u>preferred provider</u> . You pay more if you use a Tier 2 Anthem <u>preferred provider</u> . You will pay the most if you use a Tier 3 <u>nonpreferred provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance-billing</u>). Be aware, your Tier 1 PIH Health <u>preferred provider</u> or <u>provider</u> might use a Tier 3 <u>nonpreferred provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .	

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost-sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>.
